REPORT

BACKGROUND

The Local Traffic Committee is a Technical Committee of Roads and Maritime Services. The Committee operates under the authority conferred to Council by the RMS under the Transport Administration Act 1988.

Council has been delegated certain powers from the RMS, with regard to traffic matters upon its local roads. A condition of this delegation is that Council must take into account the Traffic Committee recommendations.

There are four permanent members of the Traffic Committee, each of whom has a single vote only. The members are representatives of the NSW Police Force, the Roads and Maritime Services, the Local State Member of Parliament (for the location of the issue to be voted upon) and a representative of Council.

If the RMS or NSW Police Force disagrees with any Traffic Committee recommendation, or Council's resolution on any Traffic Committee recommendation, that member may lodge an appeal with the Regional Traffic Committee for determination.

CONSULTATION
