

Garbage

What to place in your red lid garbage bin.
Your garbage bin is emptied weekly

Don't place these in your garbage bin

Building and Demolition Waste

Car Parts

Fluorescent Tubes/Globes*

Chemicals and Pesticides*

Batteries*

Gas Cylinders*

Paints*

Oils*

Radioactive Waste and Smoke Detectors*

Sharps or Medical Waste*

Large Quantities of Animal Faeces

Garden Organics

Recyclables

*These hazardous items can be recycled. See the **Battery and Chemical Disposal** and **Medicine and Sharps Disposal** pages on our website or **SCAN THE QR CODE** for more information.

Bin lids need to be completely closed to ensure collection. Overfull bins will not be emptied. Please select a garbage bin size to match your needs. It is very easy to change the size of your garbage bin - contact the Waste Hotline
