NOTICES OF MOTION

Post Agenda

TRIM 6416-8

NOM1 **Notice of Motion No. 1 submitted by Cr Banasik on 10 July 2018 regarding Registered Animal Charities**

MOTION

1. That Council write to the NSW Agricultural Minister Niall Blair requesting legislation to be broadened to enable accredited Registered Animal Rescue Charities legislative powers equal to those of the RSPCA to enable rescue of animals from cruelty and neglect situations.
2. That the Minister amend legislation that would require all commercial chicken farms to have in place a Farm Management Plan approved by the DPI and Farmers Federation of NSW.
3. That Council expresses concern at the recent slow response by the RSPCA to the Lakesland Chicken farm incident and request that additional funding be given to the RSPCA to enable quicker response times.
4. That finally this motion be sent to Local Government NSW requesting it be an item at the next conference.

TRIM 6416-8

NOM2 **Notice of Motion No. 2 submitted by Cr Hannan on 11 July 2018 regarding the Renew Our Libraries campaign**

MOTION

That Council actively participate in the Renew Our Libraries campaign, a joint campaign being coordinated by the NSW Public Libraries Association and Local Government NSW in response to the NSW Government's proposed funding cuts to public libraries in NSW. The campaign aims to double State Government funding for NSW public libraries and create a new funding model that is sustainable for the long term.

TRIM 6416-8

NOM3 **Notice of Motion No. 3 submitted by Cr Lowry on 11 July 2018 regarding the Outer Sydney Orbital****MOTION**

1. That Council write to the Minister for Transport requesting:
 - the Government release all options that were developed or considered for the Outer Sydney Orbital, including the analysis and viability that was carried out for each option; and
 - as a statutory authority and as a representative of the local community, be invited to provide input in the consultation process as the Corridor investigation process continues.

TRIM 6416-8

NOM4 **Notice of Motion No. 4 submitted by Cr Gould on 12 July 2018 regarding the threat to Indigenous sites from the raising of Warragamba Dam****MOTION**

1. That Council notes that the majority of Gundungurra sites in and around Burragorang Valley were destroyed as a result of the construction of Warragamba Dam. Further that Council recognises the cultural and historical significance of the remaining Gundungurra sites in and around Burragorang Valley and notes that these sites are particularly precious given how much of Indigenous heritage in this area has already been destroyed.
2. That Council note that many of these indigenous sites, as well as sites of early European heritage in the Valley may be destroyed as a result of the raising of Warragamba Dam.
3. That Council write to the NSW Government calling for significantly more time and resources to be allocated to the Indigenous heritage studies as part of the dam raising EIS to allow for a comprehensive study to identify remaining Gundungurra sites and assess both their cultural significance and any potential impacts from the dam raising.
4. That Council seek a meeting with the Hon Niall Blair regarding this matter.
5. That Council liaise with WaterNSW and Gundungurra representatives to seek an inspection of the known sites within the Valley that may be impacted by the dam raising and invite the following:

- The Hon Gladys Berejikian
- The Hon Niall Blair
- The Hon Gabrielle Upton
- The Hon Sarah Mitchell
- The Hon Luke Foley
- The Hon Penny Sharpe
- The Hon Chris Minns
- The Hon Malcolm Turnbull
- The Hon Nigel Scullion
- The Hon Josh Frydenberg
- The Hon Bill Shorten
- The Hon Tony Burke
- The Hon Rachel Siewert
- The Hon Richard Di Natale
- The Hon Angus Taylor
- The Hon Jai Rowell

TRIM 6416-8

NOM5

Notice of Motion No. 5 submitted by Cr Deeth on 12 July 2018 regarding the Hawkesbury Nepean River

MOTION

1. That Council support the development and implementation of an integrated Catchment management plan for the Hawkesbury Nepean River based on current Strategies and Plans applying to the Catchment in light of impending impact from surrounding developments.
2. That Council write to Camden Council and
 - a. Commend their support, leadership and work to date on management of the Nepean River.
 - b. Invite Camden Council to work collaboratively with Wollondilly Council on a coordinated approach to the management of the river system.
3. That Council write to the Minister for Planning requesting a copy of any update to the August 2015 Greater Macarthur Water Management report and supporting documentation and drafts of applicable State Environmental Planning Policies that will establish current baseline hydrological, ecological and water quality parameters and the intended mechanisms for ongoing monitoring and planning that will seek to improve or maintain these parameters for the planned development areas of the Greater Macarthur Priority release area.

TRIM 6416-8

NOM6 **Notice of Motion No. 6 submitted by Cr Gould on 12 July 2018 regarding Wildlife Road Strikes****MOTION**

That Council raise a community education section on its website to provide linkages to wildlife rescue and preservation organisations to advise the community and road users on managing injured wildlife on roads and procedures for safely undertaking pouch checking of marsupials.

TRIM 6416-8

NOM7 **Notice of Motion No. 7 submitted by Cr Banasik and Deeth on 12 July 2018 regarding the Development Application for South East Wilton Precinct****MOTION**

That Council make a formal submission to the Sydney Western City Planning Panel raising concerns with the development application submitted by Walker Corporation for 701 residential lots at South East Wilton Precinct (DD010.2018.00000339.001).

Further, that a Councillor workshop be held to identify the issues to be raised as part of the submission.

TRIM 6416-8

NOM8 **Notice of Motion No. 8 submitted by Cr Landow on 12 July 2018 regarding the Cat Tracker Australia Program and the Feral Cat Trapping Program****MOTION**

1. That following implementation of the Cat Tracker Australia Program and Feral Cat Trapping Program that a report be prepared which considers the implications, feasibility, cost and resource implications of:
 - 1.1 subsidising the de-sexing and micro-chipping of cats;
 - 1.2 implementing an education strategy detailing the benefits of cat microchipping, registration, de-sexing and containment.
2. That Council write to the Minister of Environment seeking amendments to the Companion Animals Act 1998 to require:
 - 2.1 the owner of a cat to take all reasonable precautions to prevent cats from escaping from the property on which it is ordinarily kept and that similar penalties apply for straying nuisance cats as it does for straying/nuisance dogs;
 - 2.2 Compulsory de-sexing of cats unless a person is a registered breeder;
 - 2.3 limiting the number of cats per household;
 - 2.4 Streamlining the animal registration system to make it easier to register pets;
 - 2.5 Increasing penalties to owners whose cats are seized in wildlife protection areas.
