## **Extraordinary Traffic Committee Meeting held Electronically**

**26 October 2018**

The Local Traffic Committee is a Technical Committee of Roads and Maritime Services (RMS). The Committee operates under the authority conferred to Council by the RMS under the Transport Administration Act 1988.

Council has been delegated certain powers from the RMS, with regard to traffic matters upon its local roads. A condition of this delegation is that Council must take into account the Traffic Committee recommendations.

There are four permanent members of the Traffic Committee, each of whom has a single vote only. The members are representatives of the NSW Police Force, the RMS, the Local State Member of Parliament (for the location of the issue to be voted upon) and a representative of Council.
