Wollondilly Community Strategic Plan 2033

Council's format for reporting to our Ordinary Council Meetings will follow the:

1. Wollondilly Strategic Plan 2033 themes:

Looking after the **Community** | Accountable and Transparent **Governance** | Caring for the **Environment** | Building a strong local **Economy** | Management and Provision of **Infrastructure**

Under each of these themes are **Outcomes** – expressions of what we want to achieve in the long term which will be reflected in our reports.

2. Sustainability Principles (*reference page 10 of the CSP 2033*)

Equity | Precaution | Regeneration | Engagement | Sharing | Access | Participation | Rights | Governance

"Council will build the above principles into all facets of our organisation and everything we do."

1.

Community

Outcomes

1. Access to a range of activities, services and facilities.
2. A connected and supported community.

Strategies

CO1 - Community Building, Well-being and Identity

Deliver a range of community programmes, services, facilities and events which strengthen the capacity, well-being and cultural identity of our community.

CO2 - Working with Others

Work with other agencies and service providers to deliver community programmes, services and facilities which complement and enhance Council's service provision.

CO3 - Social Planning

Undertake strategic social planning and research regarding community needs and issues.

CO4 - Engagement and Communication

Implement excellence in our community engagement by listening to and responding to the needs and concerns of our residents.

Governance

Outcomes

1. Government, community and business talking and working together.
2. A Council that demonstrates good business management and ethical conduct.

Wollondilly Community Strategic Plan 2033

Strategies

Be efficient and effective in the use of Council resources and provide value for money in the delivery of services.
- GO7 - Information Management
Ensure best practice approach as to the delivery of quality information and technology services.
- GO8 - Corporate Image
Promote a positive representation of Council's corporate image.

Environment

Outcomes

1. Our local environment that is valued and protected.
2. A community that interacts with and cares for their environment.

Strategies

- EN1 - Biodiversity Resilience
Protect and conserve biodiversity and natural resources, including waterways, riparian lands and groundwater dependent ecosystems.
- EN2 - Growth Management
Apply best practice environmental principles to the management of future growth.
- EN3 - Development Assessment
Apply best practice environmental principles to the assessment of development and planning proposals.
- EN4 - Environmental Responsibility
Educate and promote legislative environmental responsibilities to the community.
- EN5 - Auditing, Monitoring and Enforcement
Undertake auditing, monitoring and regulatory enforcement to protect the environment and the health, safety and well-being of the community.
- EN6 - Waste Management
Improve waste minimisation and recycling practices in homes, workplaces, development sites and public places.
- EN7 - Sustainable Living
Educate, promote and support low consumption, sustainable lifestyles and lowering of the Shire's carbon footprint.

Economy

Outcomes

1. A strong local economy providing employment and other opportunities.

Strategies

EC1 - Economic Development

Enhance economic development in Wollondilly Shire through innovative engagement and ongoing promotion of our strengths.

EC2 - Planning for and Supporting Business

Strengthen and diversify Wollondilly's economic base by attracting and supporting the development of a diverse range of industries.

EC3 - Manage Growth

Encourage and manage growth to ensure that it contributes to economic well-being.

EC4 - Managing Development and Land Use

Manage and regulate land use and development in order to achieve a high quality built environment which contributes to economic well-being.

EC5 - Protect Natural Resources

Protect natural resources so as to contribute to the Shire's economic well-being.

Infrastructure

Outcomes

1. Safe, maintained and effective infrastructure.
2. Access to a range of transport options.

Strategies

IN1 - Maintain Road Network

Ensure that the road network is maintained to a standard that is achievable within the resources available.

IN2 - Manage Road Network

Manage the road network to respond to community needs, growth in the Shire, improving road safety and improving transport choices.

IN3 - Provision of Facilities

Provide a range of recreation and community facilities to meet the needs of the community.

IN4 - Emergency Management

Plan for and assist in the community's response to emergencies such as bushfires and flooding.

IN5 - Advocacy and Lobbying

Represent our community with regard to external services including energy, communications, water, waste management and resource recovery.

2.

Environmental Principles

EQUITY

We uphold the principles of intragenerational and intergenerational equity and fairness in how resources are distributed within this generation and between this and future generations.

PRECAUTION

We adopt the precautionary principle which is that actions that have the potential to harm our environment should not be undertaken if the consequences are uncertain and the science inconclusive.

REGENERATION

We work to protect and restore the earth's ecological integrity, biological diversity and natural processes.

ENGAGEMENT

We recognise that sustainability will happen faster if local communities become champions of sustainability and are involved in the decisions affecting sustainability.

SHARING

We will work with others to share resources and knowledge and to promote sustainability.

Social Justice Principles

EQUITY

We will strive for the fair distribution of resources with a particular emphasis on protecting those people who are considered vulnerable.

ACCESS

We will provide all people with opportunities to use relevant services and facilities regardless of their circumstances.

PARTICIPATION

We will encourage and provide opportunities for people to take part in decision making processes that impact on their quality of life.

RIGHTS

People should not be discriminated against and everyone is entitled to honesty, information and involvement.

GOVERNANCE

People deserve responsible governance and fair and accountable decision making.
