That the Local Traffic Committee

1. Considers the new application for road management approval to relocate the existing southern pedestrian refuge on Argyle Street, Picton in place of the proposed pedestrian controlled traffic lights.

**RECOMMENDATION**

1. Reconfirms its decision from its November 2020 meeting – where it considered and approved in-principal the submission by Schools Infrastructure NSW (applicants ref: DOC20/1100538 dated 2 November 2020) for implementation of traffic management changes on Argyle Street, Picton along the frontage of Picton High School (in association with its redevelopment project) to be carried out in 3 phases being phase 1, phase 2 and phase 3, with at the core of the strategy a signalised pedestrian crossing in front of the main pedestrian access to the school to facilitate the safe crossing of Argyle St to be delivered in 'Phase 3'.
2. As such, the Committee does not approve the recent submission by Taylor Construction Group Pty Ltd (applicants ref: ptc consultants dated 21 July 2021) that proposes to revert back to a pedestrian refuge arrangement (in lieu of the approved

**signalised pedestrian crossing).**

The Committee acknowledges and thanks TfNSW in-principle support for the installation of a signalised pedestrian crossing

**UNANIMOUSLY APPROVED**
