

FACT SHEET

– Illegal Dumping

 (02) 4677 1100
 wollondilly.nsw.gov.au

Wollondilly Shire Council is getting tough on illegal dumpers. Bushland, sides of roads, private properties and public areas have all been used as impromptu rubbish tips by people who don't want to pay tip fees or can't be bothered taking their waste to the appropriate place.

Leaving unwanted materials like household rubbish, building waste, electrical goods, fridges, washing machines or garden clippings anywhere that is not a registered landfill or waste management centre is illegal dumping. This has a big impact on our environment and our community, ranging from water contamination, spreading invasive and non-native plants, reducing property values and community pride and making our beautiful rural Shire look like a rubbish dump. Council is trying to catch illegal dumpers in the act.

If you see anyone dumping rubbish illegally in the Shire then contact Council's Compliance Services Section on (02) 4677 1100 to report the incident. If you call out of office hours please leave your name, address and phone number, the time and date of the offence, and the registration number of the offending vehicle (Statements may need to be completed for certain types of Illegal Dumping).
