## USER GROUP REPORTS

### Wollondilly Little Athletics:

- 86 registered. 1<sup>st</sup> month, numbers are down.
- Rabbit holes are being monitored – they greet me each week
- There was a lady throwing a ball to a dog in the middle of the athletics area. Dog off leash. Didn't speak to her but will this week if she returns
- Fridge is unlocked and empty, will start using it and test if it turns off
- Haven't heard from Vaeola

### Kennel Club:

- Cancelled 18/8 due to weather
- Cancelled 8/9 due to a lot of members attending a competition

### Soccer:

- Goalposts need to be removed (Jenny thought this had been done but only from field 3)
- Field 3 training posts have been requested to be moved. Never agreed for them to be cemented in. Position isn't good. Ring council – David Emmett – cricket starts on Saturday
- Summer soccer registrations have started, numbers look good.

### Cricket:

- Can field 3 be used during the dog show on 9/12. Yes but park over there. Reiterate senior cricket in the afternoon. No, no noise when dogs are performing. A lot of discussion. Start time for show is 5pm. Damian will check the draw to determine if 2 day match which will finish at 6pm. Suggest to ask if they will finish at 5 on week 1 and 7 on week 2. ***Would like to vote on the use of field 3 at next months meeting.***
- Can WABKC send a letter to the NSW Dogs Association and try to swap their days. Carol explained the complications with this. We can't continue to have this discussion every year.
- Can we get the fields fertilized or top dressed *Raise a crm*
- Watering isn't right, volume or pressure is low *crm*

### Netball:

Netball: Boggy area to be drained so that it can be used for parking. Additional storeroom.

Irrigation of grass courts.

Soccer Barbeque area. Portable grandstand / raised seating. Possible joint venture.

Cricket: Movable sight screens. Permanent shaded seating. Move bottom cricket net. More seating.

## **GENERAL BUSINESS**

Joy

- Request to pay electricity and Remondis accounts by BPAY at the bank. CU allows this and council is checking this is OK

Nicole

- Found 8, then 5 cricket balls the last 2 Friday afternoons. Near cricket nets on field 3. Discussion had – probably old, just discard them. If they look good bring them to Damian.

Nyra

- Wednesday 13/9 there was a hall booking by Netball. Reply email asked how many people and requested them to park along the street fence and behind the hall. On the night there were lots of people, parking anywhere, noisy, it was a shemozzle, we won't accept this booking again.
- New booking from the National Parks to use athletics field for fitness training/assessment. Off by 3pm.
- Razorback touch football in December. *Ensure they know to stay off turf wicket, keep toilets clean and turn off taps. (This is a problem with schools)*

Mural

- Discussion had then voted to go ahead with this idea.
- Figures on the end of the storage shed and mascots on the toilet with Tahmoor sportsground written
