Correspondence

- a) Paul has circulated survey forms for completion
- b) TCC-re successful in receipt of grant re cricket nets
-requesting some works to be done re nets-Paul has placed it before council for consideration
- c) Electoral
Commission-Paul has finalized all paper work for this user group

Correspondence accepted Moved T. Morrison 2nd B Nolan Carried

General Business

- a) Discussion re cricket practice pitch repairs/maintenance-Paul will follow up
- b) Trotters Shed one vehicle has been removed and one more to go.
- c) Bargo Bunnies have submitted favorable signage to replace current signage used by the AFL
- d) Mobile Light towers not required for Junior RL - training was not held
- e) BYTC-lighting issue-it appears damage to light wires seems to be caused by birds,
repaired and sleeve put in place.
- f) Bargo RLFC-Has issue with lights not being available in toilet re their night games
- g) Concern re usage of playground by Scout children unsupervised.
- h) WHRC- Drain works has been done, after the rain some repair work was needed to be done, very thankful that work was done before the recent downpour to reduce damage that could have been done. Enquiry re charging structure for sports groups - Paul will follow up.
